23rd April 2021

Jesus said, "I am the good shepherd; I know my own and my own know me." **John 10: 11 – 18**

Welcome back to the Summer Term!

I hope that you all had a lovely, restful Easter break spending quality time with your families. I can't believe that we are in the last term of the year already and what a year it has been. We will be continuing with our focused interventions this term as we still have our teachers from St. Aidan's and St. Anthony's delivering Spanish, Geography and English. This gives our teachers time to really support and stretch those children identified in school. Whole class well-being sessions will also continue across the school to support our children in social and emotional skills. Year 6 will be having extra sessions with Mrs Leathlean and Miss Winter preparing them for transition to secondary school. Now it is Summer term we are hoping that our gardening projects will begin and we'll be having as many lessons outside as possible. I am particularly looking forward to seeing the classes using our prayer garden to nourish their spiritual well-being in the company of nature.

God bless

Mrs Robertson

Dates
for your

April

12th: School open– Summer Term

20th&21st: Parents Evening

30th: Feel Good Friday

May

14th: Class photos

28th: Feel Good Friday

Lateral Flow Tests

All families of children at school can now take the lateral flow tests at home twice a week. This helps to identify those who may be asymptomatic, so they may have the virus but don't have symptoms.

Kits can be collected from home test kit collection points and you can find out the nearest one to you here www.test-andtrace.nhs.uk

Home test kits can also be ordered online - [Schools testing: Order coronavirus \(COVID-19\) rapid lateral flow home test kits - GOV.UK \(www.gov.uk\)](https://www.gov.uk/guidance/order-coronavirus-covid-19-rapid-lateral-flow-home-test-kits)

What do I do if my child or someone in the household has coronavirus symptoms?

- ◆ The person with symptoms should get a test
- ◆ Whole household self-isolates while waiting for test result
- ◆ Inform school via email (office@stleonardsprimary.org.uk) immediately about the test results

This last point is extremely important so that school is able to get in touch quickly with any children or staff who may have been in close contact.

Class	Name	Reason
Acorn	Jake	For excellent reading skills
Maple	Emily	For showing increasing independence in lessons and a superb attitude to learning
Pine	Kieran	For showing a good understanding about the story read
Ash	Anya	For excellent effort with her independent writing and maths work
Poplar	Tabitha	For excellent discussions in our art lesson
Willow	Jack	For excellent effort in all Maths and English activities
Oak	Logan	For excellent return to school and for hard work during all lessons
Headteacher	Amelia	So proud of your hard work and effort this week. Super maths work too!
