

"The stone which the builders rejected has become the cornerstone." Matthew 21: 33-43

There have been some beautiful classroom liturgies this week and I know that our younger children were thrilled with their lessons from Miss McVittie who introduced the children to the Rosary. I would encourage you at home to talk to your children about this and join them in prayer. What a super week the children have had culminating in some superb activities today. Well done Mrs Leathlean and all the staff for your hard work. We loved the balloon surprise on the fence this morning!

Stay Safe & God bless

Mrs Robertson

So many super activities today for 'Hello Yellow' day. Well done all of those who managed to find something yellow to wear to school, the school looked so bright and cheerful. Hopefully you have all learnt a bit about young people and positive mental health, how important it is and how you are never, ever alone.

We saw the return of the "Shining stars" today, although not quite the same. I felt so proud and quite emotional as each class in their bubbles connected through 'Teams' and for the first time since March I saw the whole school together albeit on the computer screen. Congratulations to all our shining stars this week, your certificates will be sent home via Class Dojo.

First Holy Communion

I have had a conversation with Father Humble regarding First Holy Communion and will be sending out letters next week once the details have been approved.

Church

Although St. Leonard's Church is still not open if you would like to go to Mass please call Father Humble on 0191 5281992.

Face coverings

Please wear a face covering when dropping off and collecting your children, as you may need to queue for a short time.

Attendance

Whole school attendance continues to grow.

Well done everyone for coming to school
