

# St Leonard's Catholic Primary School

## PE & Sports Premium Plan 2022/23

*“All pupils leaving primary school physically literate and with the knowledge, skills and motivation necessary to equip them for a healthy lifestyle and lifelong participation in physical activity and sport”*

Summary information			
School	St Leonard's Catholic Primary School		
Academic Year	2022 - 2023	Total Sports Premium	£17, 350
Total number of pupils on roll	127	Date for internal review of strategy	November 2023

The Sports Premium is additional funding given to schools to raise attainment and physical activity for pupils. Through the 'Sport Premium' the Government is providing funding to support the delivery of PE and sport in primary schools. This funding will be ring fenced, and will be allocated directly to the primary schools across England providing them dedicated resources to buy in invaluable expertise and support. Primary schools will be able to determine what they believe to be the most appropriate use of the funding. The funding amount schools receive is based upon the number of children of primary age the school has. Our Sport Premium information can be viewed in the table below.

The funding can be used to: -

- Improve the quality, provision and sustainability of PE in our school
- Increase participation in sports and PE and develop healthy life styles
- Develop staff confidence to deliver PE across the school
- Promote the importance of a healthy lifestyle to all pupils
- Encourage competitive sport across the school
- Promote competitive sport and resilience outside of school

There are 5 key indicators that schools should expect to see improvement across: -

- The engagement of pupils in regular physical activity
- The profile of PE and Sport across the school is raised
- Increased knowledge, skills and confidence of all staff
- Broader experience of a range of sporting activities for all pupils
- Increased participation in competitive sport

The 2022-23 Sport Premium for St Leonard’s Catholic Primary School is £17 350  
The money will contribute to the schools overall P.E. budget as outlined below.

<b>1. The engagement of <u>all</u> pupils in regular physical activity</b>	
<b><i>Objective:</i></b>	<b><i>Implementation:</i></b>
Track engagement of pupils in sporting activity outside of curriculum time. Be able to target those less active children with appropriate activities. Develop a wider range of activities to meet the interests of a wider range of children.	With the support of the school administrator and school business manager track accounts and track the participation of all children in extended school activities in order to create end of year reports of participation. Target those less active children with appropriate extracurricular activities suited to them.
Engage all children and foster a love of sport in all children by participating in lunchtime activities. Audit existing resources and purchase new to promote physical play. CPD re role of sports leaders.	PE lead, teaching assistants and lunchtime supervisor to lead and develop pupil participation in physical activities. Experienced PE member of staff to team teach with all Key Stage teachers (Up to 50% targeted timetable - afternoon sessions per phase) providing personalised CPD. Update of field facilities.
Continue to develop opportunities across both yards for more physical activities linked to play leaders & games.	Replenish lunchtime equipment Lunchtime Supervisor to develop this area.

participants entered athletics, netball, dodgeball, ten pin bowling, triathlons, gymnastics and a swimming gala.

- Afterschool clubs were introduced in line with pupil interests, as gathered from a pupil voice survey, and resulted in a good uptake of sessions. Each session was for up to 25 children and covered every key stage across school. The cost was £2,190 for the whole year, and was heavily discounted for vulnerable pupil groups.

## 5. Increased participation in competitive sport

<i>Objective:</i>	<i>Implementation:</i>
Subscription to school competition	Subscribe to the SLA to have access to the huge variety of competitions on offer within our area. First Aid training for staff to attend competitions and matches.
Transportation to sporting events between interclass bubbles	Organising transportation to and from events

### Impact & costings (Sept 2023)

- A wide variety of sporting activities was introduced and the use of external coaches brought into to work alongside the PE lead to develop their confidence and knowledge. As a result, pupils across all year groups took part in a range of competitions. A total of 75 participants entered athletics, netball, dodgeball, ten pin bowling, triathlons, gymnastics and a swimming gala. The cost of transport for competitive sports totalled £2,964.
- Significant increase in competitive sport resulted in St Leonard's being named as the 'Emerging School of the Year' at the Sunderland Primary Games Award.

Following the Swim Review in 2019, schools must also report on the impact of their swimming provision:

Meeting national curriculum requirements for swimming and water safety	Please complete all of the below:
What percentage of <b>your current Year 6 cohort</b> , swim competently, confidently and proficiently over a distance of at least 25 metres?	86%
What percentage of <b>your current Year 6 cohort</b> , use a range of strokes effectively [for example, front crawl, backstroke and breaststroke]?	
What percentage of <b>your current Year 6 cohort</b> , perform safe self-rescue in different water-based situations?	
Schools can choose to use the Primary PE and Sport Premium to provide additional provision for swimming but this must be for activity <b>over and above</b> the national curriculum requirements. <b>Have you used it in this way?</b>	Yes, in line with guidance.
