

St Leonard's Catholic Primary School, Silksworth

End of Key Stage Data Summer 2023

School, BCCET and National Comparisons

Data for the end of key stage 2 SATs has not been released since 2019, due to the pandemic. This year sees the first published data since the reintroduction of statutory testing. The data below shows how St Leonard's compares to other schools in our Trust and Nationally over this period. The results this year show excellent progress for our children at the end of Key Stage 2, outperforming Trust and National averages in all areas.
